What the War Costs South

War's effect on the price of cotton and cotton seed has caused a loss of about 455 million dollars to the American farmer. It was announced by the bureau of crop estimates of the Department of Agriculture. The experts base their estimates on the shrinkage of price this year as compared with those last year. This year's prices are the lowest that have prevailed since 1908.

Would Divide Oklahoma

A movement to make two states out of Oklahoma, dividing the present territory by a line from east to west, seems to be attracting some attention in the oil fields. The incentive that seems to operate in this matter is the unfavorable attitude of the oil and gas interests toward some of the legislation, especially in the matter of taxing powers of the state, that has been enacted and proposed during the present year.

The Governor in Durant

Governor-Elect Robert L. Williams arrived in Durant from Oklahoma City Sunday afternoon and spent several days here and in other portions of the county attending to business matters. From now until the time he is sworn in as governor of Oklahoma Judge Williams' time will be divided between Oklahoma City and Durant.

Ed Gill was hurt very bad Saturday night by his horse throwing him. Ed says that it was some time after the accident before he knew he was hurt and walked some distance before he came to himself. He was taken to the hospital and made a fine recovery. The election is over and all seem to be satisfied with the returns.

Judge Lewis Terry was elected to the office of Justice of Peace for the district embracing the towns of Durant, Guthrie, and Okfuskee. He was elected by a large majority.

Miss Mary Haddock visited Miss Heater Pruitt in Utica last week. Bro. Hattie McChristian preached at the Christian church of Utica the Third Sunday. Come out and hear him. Perhaps he will make you feel and say that you ought to live a better Christian.

Bro. Bradley of Albany attended church at this place Sunday night. Come again, Bro. Bradley, glad to have you with us.

The cotton picking is about something of the past, and the boys are still drifting west to the cotton belt. Bro. D. C. Carter of Calera filled his regular appointment at Calera Baptist Church last Saturday and Sunday. Bro. Carter is an able preacher and his sermon Sunday night is one that we should not forget, and should heed to same. Bro. Carter has been called back to the church of this place and will be with us on the second Saturday and Sunday of each month. He has been with the church at this place for a number of years and the good people of Utica have learned to love him and are always glad to see him in Utica.

Bro. Haddock and wife spent last Sunday with H. B. Pearcy and family.

The health of the community is much better at this time. Jim Cavillit and wife and family attended church last Sunday. Church children were at church Sunday.

Ed Gill made a trip to Durant Sunday. He is very regret very much to have his good people visit their many friends in Utica. R. B. P.
